

ST. MARY'S "MASS BOOK" for 2021

will open on **Thursday, October 8th**

This year we will **NOT** be offering a Saturday booking day at the parish center. Due to the unprecedented circumstances with Co-Vid 19 reservations are by mail or drop off only. All intention requests may be dropped in the Mass Ticket Box or mailed to the rectory office (1525 Cranston Street, 02920) beginning on **Thursday** October 8th.

Please remember each mass needs its own form and the donation and the form are both required at the time of booking. For your convenience Mass forms are available on the parish website www.saintmarycranston.org or in the upper church if you attend Mass. At your request we will also mail intention forms or leave them in the Mass Intention box for pickup. Please keep in mind at this time we will not book or reserve any Masses over the phone or in the office.. Thank you in advance for your co-operation.

****Please note that there will be no 5:30 Mass beginning January 2021.**
